A WORD FROM THE PRESENTERS

Life-On-Life Missional Discipleship

Ps Jason Lim, Senior Pastor of Gospel Light Christian Church

Are you hungry? Or burdened? Or dissatisfied in ministry because you don't see consistent spiritual growth amongst God's people?

Are you looking for practical handles in discipleship?

That was me, 10 years ago. If you identify with my struggles and search, come find out more in this upcoming showcase on LOLMD!

I'll share our story, and how it has completely changed our church for the better! You'll be encouraged by how LOLMD is ultimately about following Jesus alone. We will also show you how Jesus' discipling principles can be practically applied in YOUR church!

Perhaps it's time for you to take concrete steps in igniting an effective discipling movement! It may just start this 11 May. Looking forward to partnering with you. See you there!

Discipling Coaching Centre

Rev Dr Keith Lai, International Director of IDN

Rev Lek Yong Teck, Vice President of IDN

We hope to help you find answers to the right questions!

Wrong question — How to make disciples?

Right question — How did Jesus make disciples?

The DCC will coach you to make disciples, the way Jesus made disciples, through your church.

Wrong question — What curriculum should we use to make disciples?

Right question — Who is discipling you and who are you discipling?

The DCC will coach you to build a pathway for relational discipling in your church.

All are welcome. Invite your fellow leaders.
